Product's highlights & user's benefits						
	TPE Multi-block over-moulding protection pad with 7 independent pads	Limits the "helmet" effect by reducing contact with the skull and improves airflow				
	Triangles form small closed cells that allow the heat to not stay in contact with the skull	More comfort when carrying				
	Over-moulding of the TPE foam on the PP shell	Increased longevity : Zero risk of detachment on wear Washable				
	Perforated area under the mesh fabric forming air entrances and outlets allow the heat not to stay in contact with the skull	Reduction of perspiration				
	Retro-reflective tapes	To be better seen at your workstation				
	Visor 5 cm	Guaranteed visual comfort				
7	Matched to the MACH 5 clothing range	Total look				
	Adjustable buckle with Velcro strap closure	Easy adjustment with a simple push				
	Universal fit	One size for all				
	A new generation protection cap: The protective shell and the absorbent foam are one!
